Headline:

Fine and warm today. Turning cooler through next week.

Today:

A chilly start but soon turning warm again. Bright skies with some hazy sunshine at times and some patchy cloudy moving in later, but another fine and dry day for all. Maximum temperature 16 deg C (61 deg F).

Tonight:

Dry with largely clear skies, but quickly turning chilly across the region tonight. Some overnight frost is possible, particularly in rural areas. Minimum temperature -3 deg C (27 deg F).

Monday:

Cloudier on Monday and remaining dry during the day, but then showers moving in from the north overnight. Feeling slightly cooler than of late. Maximum temperature 15 deg C (59 deg F).

Outlook for Tuesday to Thursday:

Scattered showers on Tuesday, and then a further risk of showers on Wednesday and Thursday. Turning cooler throughout outlook with a continued overnight frost risk.
